Obituary.

Elizabeth Wurtz, daughter of Conrad and Elizabeth Wurtz, was born in Philadelphia, Pa., April 18, 1836, and died in Boston, Ohio, May 15, 1913.

In early life she united with the Baptist church and from that time has lived an earnest, active, Christian life, always willing to do acts of kindness and charity, quiet and unassuming in spirit and manner at all times.

She made her home with her sister in Boston. About two years ago she met with an accident that rendered her a cripple the remainder of her life. But in the midst of her affliction she was resigned and uncomplaining patient in spirit and saying, "Not my will but God's be done." Much time during the latter part of her life was spent in prayer and preparation, seeming to have a premonition that the change from this life to one of immortality was near, and that her affliction had been to her but a blessing; that through it her thought had turned upward to a trust and hope beyond the stars, where through the blood of Christ, all unrighteousness would be cleansed and washed away; the family, too, that in early life had been so broken up, scattered and afflicted would again meet and be reunited, where there will be no parting, no more pain, no more night, and where the promise is, all tears will be wiped away.

Funeral services were held last Saturday and were conducted by Rev. Shriver.

It would surprise you to know of the great good that is being done by Chamberlain's Tablets. Darius Downey, of Newburg, Junction, N. B., writes, "My wife has been using Chamberlain's Tablets and finds them very effective and doing her lots of good." If you have any trouble with your stomach or bowels give them a trial. For sale by all dealers. adv
